Minimum qualifications: age 18 to apply, age 19 upon date of indenture, high school diploma or GED, must meet USDOT drug, alcohol and medical requirements, must have an Alaska class "D" driver license for at least one year and provide clean driver history report. It is the JATC's intent to build the Construction Driver Apprenticeship pool. Recruitment, selection, employment and training shall meet the EEOC requirements of Title 29 CFR, Part 30.

To meet eligibility, applicants must meet the following minimum qualifications:

1. **Age:** Applicants shall be at least 18 years of age upon submission of the application. They shall be at least 19 years of age upon date of indenture.
 2. **Education:** Shall possess sufficient educational knowledge to satisfactorily complete the on-the-job training and related technical instruction. A high school diploma or GED equivalency is required.
 3. **Physical:** Shall be physically capable of performing the essential functions of the occupation without endangering the health and safety of themselves and/or fellow workers. Shall pass and obtain a medical examiners certificate in accordance with the requirements of the USDOT (Approximate cost to applicant \$65 depending on location if selected into the apprenticeship program).
 4. **Drug:** Shall pass a screening test in accordance with the USDOT (Approximate cost to applicant between \$63 and \$100 depending upon collection location, if selected into the apprenticeship program).
 5. **Drivers License:** Shall have a class "D" Alaska drivers license for at least one year and maintain that license and any other obtained in the program.
 6. **Clean Driving Record:** Applicant must provide an Alaska Department of Motor Vehicle **10 year driving history** report with application that indicates a clean driving record (Approximate cost to applicant \$10). Any one of the following list of violations on a driving record will prevent a prospective applicant from selection in the program:
 - Two traffic citations, 15 mph over the posted speed limit in a two-year period.
 - One traffic citation, 15 mph over the posted speed limit with a suspension or revocation within a 2-year period.
 - A suspension or a revocation within a two-year period.
 - A total of 10 points on your driving record in the last two years.
 - Any driving under-the-influence conviction within the last two years.
 - A total of three moving violations in the last two years.
 7. **Hazardous Materials Endorsement:** Applicant must be able to obtain a clear FBI background check required for a Hazardous Materials Endorsement (cost to be borne by the applicant). If you have anything on your personal record that might be questionable as to whether or not you qualify, then it would be best to apply now for your background check and get the letter stating that you are eligible. Otherwise you may be disqualified from the application period you are applying for.
- ❖ Note: Individuals selected into the apprenticeship program will be responsible for all licensing fees associated with obtaining a CDL or Endorsements to current CDL Licenses. Travel, room and board are also each individual's responsibility. Financial assistance may be available, please inquire.
